

Lower Merion School District

301 East Montgomery Avenue, Ardmore, PA 19003-3399 (610) 645-1800

Dear Parents,

The School Health Law of Pennsylvania requires a medical examination for children entering 6th grade. I have attached a physical examination form that needs to be completed by your child's physician. Please return the form to the nursing office when completed.

Please have your child's physician include all recently administered immunizations. Students entering 7th grade are required to have one dose of TDAP and one dose of the Meningococcal conjugate vaccine (MCV).

Thank you for your attention to this matter.

Sincerely,

Laurie Billows, RN, CSN
