Dear Members of the Waldron Mercy Academy Community,

We wanted to share an update as we move to the final stages of the Principal search process which includes on campus meetings and tours. As the finalist candidates are being evaluated, we appreciate your continuous understanding of the confidential nature of the process and your trust and confidence in the Search Committee as they work to bring the search to a successful conclusion.

A special thanks to the Waldron Mercy Academy Community for your input and support throughout the process. We are also grateful to the Search Committee for the extensive time they have spent interviewing and evaluating potential candidates.

Sincerely,

The Lambert & Associates Team
