

TRANSPORTATION INFORMATION

We must have information on file as to how your child/ren get to and from school regardless of whether they use the school bus, private van service, car or if they walk to school.

Please note: Philadelphia, Springfield and Marple-Newtown School Districts do not provide transportation for kindergarten students. No school district provides transportation for 3 and 4 year olds.

Precious Cargo private van service: If you live in the Fairmount, Center City, Old City, or South Philadelphia areas and are interested in a private van as a means of transportation for your child, please contact Amelia & John Fogarino at 215-463-5489 or 215-480-0800 as soon as possible. This service is an additional charge and is billed directly through Precious Cargo.
